KING'S CHURCH (MISSISSAUGA)

About the Family

The Lord had gave us our first baby. His name is Oliver and he almost have the same age of our church. So for us he is a reminder of the blessing of God and how the church now is a baby but is growing fast and needs all our support.

The Lord spoke to us about coming to Canada to plant a church. We left behind family, friends, job and ministry to pursue the calling of God, and the Lord opened a door in Mississauga. Though we don't have family in Canada, we found a new one among the Send Network of Toronto. They are wonderful, and we love them.

About the Church Plant

We started In July 2015 with a group of families, and we meet with them every Saturday.

King's Church is a church for His kingdom. We plan to start with the Latin community because it is the third biggest immigrant community in the Greater Toronto Area (GTA) with a lot of social, economic and cultural problems. After that, we plan to reach other communities to become a multicultural church.

Our dream is to become a church of influence, implementing projects of social impact and seeing the salvations of the souls. Our goal is to start our regular service using the 12 strategy and, in the future, 12 daughter churches in the GTA.
