EMMANUEL BAPTIST CHURCH EAST (DURHAM REGION)

About the Family

Andreina and I were born and raised in Caracas, Venezuela, in a multiethnic family with roots in Italy, Colombia and Bolivia. Led by God, we left our home and moved to Toronto in July 2012.

Andreina is a systems engineer and loves to make handmade jewelry, but her true passion is singing. I have a bachelor's degree in Economics and enjoy playing sports, particularly tennis and soccer, but what I love the most is playing the drums!

Andreina and I met while serving at our local church and got married in 2005. Now we are the proud parents of our son, Daniel Isaac, who was born in March 2014 in Canada.

Family has a great value to us. We have understood that God created the family to be the foundation of every society, but this is only going to happen through Him. That's why, stepping out on faith we believe God's purpose for our lives is to serve Him by preaching the gospel and reaching the lost in the city where He brought us

About the Church Plant

Having more than 6.5 million people, Toronto is the third largest city in North America. Immigrants from all over the world have settled in the Greater Toronto Area (GTA), making it one of the world's most diverse places to live and work.

According to the 2011 census published in 2012, Spanish is one of the top five languages spoken in the GTA. Approximately 500,000 Latin Americans from over 20 countries live in the GTA. We are reaching out to those who live on the east side of the city, through Emmanuel Baptist Church East, EBCE, a hispanic church looking to serve the community where we exist, according to the values found in The Bible.
