PRAY.

- For continued passion and equipping for outreach and evangelism.
- For leadership development to facilitate the multiplication of fellowships.

PARTICIPATE.

We are always excited to have conversations with churches or individuals who are interested in exploring partnering in the areas of prayer, provision and people (mission trips or intern opportunities). We are especially interested in helping our new planters and works connect with new parnters.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.

THE HAMILTON FELLOWSHIPS (HAMILTON)

About the Family

Jason and his wife, Kimberley, live in Hamilton with three of their four children: Caroline (18), Liam (15) and T.J. (10). Their oldest son, Daniel (21), now lives on his own. Performing arts are a big part of the family's life and at least one or more family members can frequently be found performing on a stage, television, film or music venue.

About the Church Plant

The Hamilton Fellowships is a growing network of fellowships that meet across the city of Hamilton. The groups are diverse, ranging from gatherings of international students and young urbanites to a street corner gathering of homeless and urban poor.

Each fellowship is active in helping to serve the many needs within the different communities in the city, including homeless outreaches, while focusing on multiplication of the mission.

The Hamilton Fellowships was excited to be a part of helping start Restoration Hamilton in 2016, a new church plant on the east end of the city. they are excited to see continued multiplication in the days to come.
