WADI CHURCH (MISSISSAUGA)

About the Family

Hans and Brandy Ostrem have a personal passion to see people grow in Christ Jesus and to see them impact their communities and cultures with the saving message of the gospel. For almost six years, Hans and his family lived in North Africa and the Middle East region as missionaries.

Hans has an educational background in medicine from Texas A&M, but attended North Greenville University and Liberty University for an education in Christian and pastoral leadership. Hans is a citizen of both the U.S. and Canada.

Hans's wife, Brandy, is a stay-at-home mum. She is from Alabama and has a degree in intercultural studies and a background as a primary school physical education teacher. Together they have three children: Alexis (5, born in Egypt), Kristopher (2, born in the UAE) and Rowan (<1, born in Toronto).

About the Church Plant

WADI Church is a place to have godly fellowship and receive dynamic and sound biblical teaching. WADI (meaning oasis or valley in Arabic), is a fellowship geared toward reaching the lost with the saving message of Jesus Christ.

We seek to show the "door of hope" (Hosea 2:15) to those who are living in the darkness of this troubled world, specifically those within our community of Mississauga. We welcome anyone to our fellowship, though we tailor our outreach toward Muslims from the Arab world. We offer studies in English and Arabic.
