

Derrick Wilhelmus

THE BRIDGE (HALDIMAND-NORFOLK)

About the Family

Married for 21 years, Derrick and Tannis live in Simcoe, Ontario, with their two awesome children. Derrick loves the Lord, sharing the Word and reaching out to the hurt and lost. He also has a passion for anything with an engine! Derrick has a master's degree in Divinity that complements his entrepreneurial aptitude, fostering a very unique approach to outreach.

Tannis has a heart for working with children and advocating their needs. She is a dedicated wife, mother and teacher. She currently lives out her calling by teaching in a public school setting, advocating, sharing and witnessing. This is frontline ministry.

About the Church Plant

Our goal at The Bridge is to build a network of home church/life groups across multiple communities that fosters an atmosphere of discipleship, growth, challenge, accountability and vulnerability. These life groups are the DNA of The Bridge. Through these life groups we strive to build authentic community, encouragement and multiplication.

We encourage leadership and create opportunities to help others grow and lead, not only in our groups, but also in their families. The growth in our members has been absolutely amazing! We currently have three life groups meeting three nights a week totaling approximately 30–45 individuals.

We also incorporate monthly public services to have all members come together to worship and fellowship.
