About the Family

Originally, we are from the Philippines and came to Toronto, Canada, December 11, 2011. We came here because God called us to serve Him here.

My wife's name is Joy. She works at Young Street Mission as administrator of their Evergreen Medical Clinic, which serves the street youth. My two sons are Dave Adriel (18) and Kayil Joseph (14). At a young age, Dave received God's call to serve Him full time. He wants to be a pastor, so he decided to go to Moody Bible Institute this fall to prepare for full-time ministry. My two sons help us in our ministry by being part of the church music ministry and the youth small group.

My wife and I graduated from Asian Theological Seminary and have been serving the Lord full time for 24 years now. Originally, we came here to pastor a church, but the Lord has led to us to plant a new church.

About the Church Plant

By God's will and grace, we planted a church called Agape Global Community Fellowship located in Don Way East, Don Mills. This church is more than two years old now. We celebrated our anniversary November 28, 2014.

Our vision: "We are a multicultural community committed to evangelism and multiplication of disciples, thereby reaching the world for Jesus Christ." Though we are presently predominantly Filipinos, our goal is to be a multicultural church, so we are reaching out to others of different ethnic backgrounds. Now we have Egyptian, Bulgarian and Argentinian people in the church. So we can effectively achieve our vision, we have small groups (life groups) for adults and youth for edification, evangelism and equipping.
